Welcome to The Beach House

The Beach House is a private hotel with a unique Mediterranean location, directly on the beach between Málaga and Marbella on the outskirts of the village of La Cala.

The Beach House is almost like a private villa – with exclusive, tasteful interior design.

We would be pleased to help you book daytime activities such as golf or riding, or to give you a few pointers for exciting days out. There are a number of restaurants in the local area which you can choose from for lunch or dinner.

The Beach House has ten rooms, a pool, bar, lounge, breakfast room and conference room.

Bar and breakfast

Enjoy a cool drink or a morning coffee by the pool as you admire the amazing sea view. Or take a seat in the lounge next to the fireplace.

Conferences and parties

The Beach House is superb for conference and other custom events such as birthdays and parties. You can book the entire hotel – or just parts of it.

Interior design and shop

The interior design at The Beach House is tasteful and well-considered, right down to the finest detail.

You can buy the various beautiful things you see at the hotel – all of which have been chosen with care – such as china-ware, glassware, candles, pictures, etc. to take home with you.

Golf

There are several golf courses nearby which you are welcome to visit. We would be happy to help you make bookings.
